## Peab builds new senior living in Norrköping

**Peab has been commissioned to build a new senior living facility in Norrköping. The customer is Norrköping Municipality and the contract is worth SEK 210 million.**

The project comprises a new three story senior living facility on the property Fiskeby 2:1. The building will consist of 80 rooms, common areas and personnel and utility rooms.

The base floor will consist of a slab on the ground, the building frame will be concrete and the facade will be in brick. Part of the roof will be covered in solar panels.

“We’re happy and proud to be part of community development in Norrköping. Peab has a great deal of experience in building assisted living facilities and we look forward to getting started,” says Anders Bergeling, Region Manager Peab.

The project is a turnkey contract. Construction starts in October 2023 and the project is expected to be completed in February 2026.

The project will be order registered in the fourth quarter 2023.
