

In order for Peab's system to be able to handle and receive your invoice, the attachments sent with the invoice must be in one of the following permitted formats:

*.docx; *.doc; *.png; *.gif; *.html; *.jpg; *.tif; *.tiff; *.bmp; *.txt; *.xls; *.xlsx; *.csv; *.ppt; *.pptx; *.one; *.vsd; *.msg; *.xps; *.rar; *.pdf; *.xslt

If the attachments are in a different format than listed above, the invoice will be rejected by our system and you will have to resend the invoice.
